

YOUR  
LIFE IS THE  
SHOW

## HP SB360 Digital Camera

Capture that magic moment with the HP SB360 digital camera. The SB360 is a slim and stylish point-and-shoot HP camera series that offers 12 mega-pixel resolution, 3X optical zoom, and 5X digital zoom, making it easy to capture the action in vivid detail and ultimate clarity. It provides a 3.0" LCD screen to enhance your viewing pleasure. The SB360 is also rich in features such as Smile Detection, Blink Detection, Image Stabilizer, Face Detection, Red eye removal, different scene modes, and more. Capture the image details in low light conditions and fast moving subject with high ISO (up to 3200). It includes Li-ion rechargeable battery lets you stay in power when capturing your daughter's wedding ceremony.

The SB360 comes in two colors: Black and Plum. You can own one and buy one for your loved ones.

### Creative and Fun

#### Scene modes

- Allows you to choose the best camera setting to take great photos
- 20 available scene modes including night scenes, fireworks and landscape
- Sophisticated PASM (Program, Aperture-priority, Shutter-priority, Manual) modes give you all the manual control you need for the perfect shot

#### Image stabilizer

- When camera movement is detected, the camera makes adjustment to captured image to compensate for the motion
- Increases image clarity and reduces or eliminates undesired image jitter

#### Smile detection

- Takes 6 (six) continuous shots when a smile is detected
- Helps you capture smiles of moving people in different angles

#### Blink detection

- Automatically detects any subject blinks in a captured image
- Prompts you to keep or delete a picture if a blink is detected

#### High sensitivity

- Ensures great picture quality even in very low light setting
- Up to ISO 1600 for all images, and ISO 3200 for images below 3 megapixels

#### MJPEG video capture

- Record VGA-quality video with MJPEG codec
- Higher video compression means you can record more video
- YouTube mode allows you to record movies for easy upload to YouTube with 640x480 @ 30fps.
